ATHUL SANTO

Full Stack Developer

Kochi, Kerala | +91 6235837321 | athulsanto14@gmail.com | linkedin.com/in/athul-santo

CAREER OBJECTIVE

Full Stack Developer with MERN stack internship experience in building web and mobile applications. Skilled in REST API integration, frontend-backend development, and using Git and Docker. Seeking to grow as a developer by contributing to scalable, real-world software projects.

PROFESSIONAL EXPERIENCE

Full Stack Developer Intern | Aionpixel Technologies Pvt. Ltd.

June 2026 – Present

- Contributed to the development and maintenance of a real-world School ERP web application using MERN stack technologies.
- Developed and worked on modules including Student Leave Management, POSH/POSCO, Scholastic, Co-Scholastic, and Holistic assessments.
- Worked on mobile application development, implementing and maintaining features aligned with the web application.
- Integrated and worked with REST APIs, databases, and frontend-backend communication.
- Used Git, GitHub, and Docker in the development workflow.

TECHNICAL SKILLS

Languages: JavaScript, Python, SQL

Frontend: React.js, HTML5, CSS3, Tailwind CSS, React Native

Backend: Node.js, Express.js, REST APIs

Database: MongoDB, MySQL

Tools: Git, GitHub, Docker, VS Code

TRAININGS / CERTIFICATIONS

Data Science Training — Internshala Training, Virtual

Sep 2025 – Mar 2026

PROJECTS

Finds | *MERN Stack Project (Academic)*

- Built a location-based local services discovery platform where users select a location and category to view nearby vendors and services.
- Displayed vendor details including shop name, owner name, contact information, images, and precise location via latitude/longitude.
- Implemented a local transportation module to help users find transport options within their selected locality.

EDUCATION

Bachelor of Computer Applications (BCA)

Navajyothi College, Cherupuzha — Kannur University | *2022 – 2025*
